DRUMMING IT UP!

WITH JJ WHEELER

A drum clinic on styles covering Rock / Pop / Indie; with references to Reggae, Jazz and Progressive Rock

Using songs from the Trinity Rock & Pop syllabus, this full-day workshop will offer practical, experience-based advise with sessions covering :

- Touch & tone control
- Hand techniques
- Rudiments & their practical application
- Bass drum control / Snare & Bass independence
- Odd time - signatures
- Metric modulations & implied metres
- Improvising in a style

Presented by :

JJ Wheeler is a UK-based drummer, composer, examiner and educator whose work has recently included tours across 5-continents playing world-renowned venues, Radio and TV shows with various artists.
